

DIN-USB-RS485

ISOLATED USB INTERFACE AND SWITCH

Standard Features

- › DIN Mounted
- › USB Powered
- › USB to RS485
- › Built in conversion to allow 852 WTI configuration locally
- › RS485 Switch
- › Allows unit configuration when powered and standard SCADA access when unpowered
- › 1.5kV Isolated USB

Isolated USB interface to allow for quick and safe configuration of 852 series WTI, no requirement to interact with installation wiring once installed. Connections are switched from standard installation to configuration automatically on presence of USB.
